

K-love radio station is in danger of being taken off the dial in my area. Im writing to ask you to please dont let this happen. As one of only 2 Christian channels here my daughter and I listen to it always. It gives us announcements about local happenings that we otherwise might not know of. As the parent of an 11 year old I am so thankful that there is a station that she is attracted to, without it she will have many horrible choices to choice from. Please dont take K-love away from us and the many other parents trying to raise their children with christian values and that includes the music they listen too. Thank You
